

LINEA 7 SERIES - WALL MOUNTED COMBINATION BOILERS

- SEDBUK Band D
- Three models available with 26kW, 30kW and 35kW heat outputs
- Air/gas modulation system to accurately match gas and air to demand, giving extremely high seasonal efficiency
- Hot water pre-heat to provide instantaneous hot water from boiler
- Two year warranty
- Five year anti-scale guarantee
- Pre-fixing jig allows connection of gas and water without the need for the boiler to be on-site, helping to combat theft in empty properties
- Two versions of optional plug-in time clock available that can be fitted to boiler within minutes with no additional wiring required
- Versatile concentric and twin flue options available
- Optional remote control available to ease use when installed in confined locations
- Built in features
 - filling loop
 - frost protection
 - anti-cycling control
 - automatic by-pass
 - electronic ignition
 - self diagnostic fault-finding
 - automatic pump spin
