

28KW AND 35KW SYSTEM BOILERS

- SEDBUK Band D
- Fully modulating 28kW and 35kW system boilers
- Simple installation and commissioning
- All major system components built in - pump, expansion vessel, safety valve, automatic air vent, automatic by-pass - saving space, installation time and material
- Simple servicing with all components in one place
- Electronic ignition to fully modulating burner
- Optional built-in programmers available
- Versatile concentric and twin flue options available
- Many built-in features:
 - frost protection
 - anti-cycling control
 - automatic by-pass
 - electronic ignition
 - self diagnostic fault-finding
 - automatic pump spin
